

DECENT DROP

Decent Drop is a wine and cheese tasting service, delivering exceptional tastings nationwide. We specialise in fun and engaging corporate teambuilding and client engagement events. Whilst we have become experts in conducting these tastings via Zoom, we're also able to provide them in real life. We are confident that our knowledgeable yet relaxed approach makes us the perfect experience for you and your team. Our goal is to demystify the world of wine and to make events that focus upon consumer engagement and dare we say it...fun!

How does it work?

We pride ourselves on making the booking process really easy. Just let us know how many guests you'd like to book for and we'll take it from there to ensure that everything runs smoothly.

For our virtual events, we ship the kits to the door of your guests via a courier. For the live events, we manage all elements of the occasion to ensure a fun and safe time is had by all!

OTHER SERVICES

If wine & cheese isn't your thing, we also offer

Gin Tastings & Cocktail Classes

Not everyone loves wine & cheese, so why not go for our gin tasting kits, which also come with garnishes and tonics (from £24). Or perhaps shaking and stirring is your thing, with our online cocktail classes. Again, our focus is quality and enjoyment, not lectures about distillation pressures or the science of ice dissolution!
